

Report of the Tax Collector  
as of December 31, 2017

- December deposits were \$9,074.30 reflecting \$2,383.66 from Hebron current year taxes, \$5,628.28 from Lebanon in current year taxes, \$625.08 Hebron prior year taxes, \$265.27 Hebron interest, \$72.00 Hebron lien fees, \$96.07 from Lebanon prior year taxes, \$3.94 from Lebanon interest and no Lebanon lien fees.
- Year to date taxes collected are \$151,983.23. Hebron: \$61,891.22.  
Lebanon: \$90,092.01.
- Payments for the January installment have been timely. I expect January and February to be very busy.
- I spent several hours working with QDS on Monday to correct our records regarding the Hebron Service Station. Our system now shows accurate figures for the back taxes due the District.
- As required by statute our notices of taxes due will remain posted at the town halls as well as the bulletin boards around the lake. The email blast that went out late in December was very effective. Many of the inquiries that came in were from property owners who had already paid in full. It is always good to see our residents being proactive about their taxes.

Respectfully submitted,
