

Report of the Tax Collector  
as of July 1, 2019

- July was a very busy month. We collected \$93,745.27 representing \$36,062.29 Hebron current year taxes, \$56,175.17 Lebanon current year taxes, \$879.60 Hebron prior year taxes, \$1,628.21 Lebanon prior year taxes, \$102.49 Hebron interest, \$270.70 Lebanon interest, \$96.00 Hebron lien fees and \$240.00 Lebanon lien fees.
- As shown, liens continue to be an effective collection tool. QDS prints the prior balance due including lien fees on the bills. In July we collected prior balances in full on 14 liened properties.
- Collections year to date: see above.
- I've submitted the transmittal for the final posted ratebook to QDS. It normally arrives in September.
- I've made inquiries about having the tax bills available online but do not yet have any prices.

Respectfully submitted,

Eileen Curtin  
Amston Lake Tax District  
Tax Collector
