

Report of the Tax Collector As of February 28, 2021

- February deposits were \$2,539.24, representing \$955.19 Hebron current year taxes, \$1,550.98 Lebanon current year taxes, \$22.53 Hebron interest and \$10.54 Lebanon interest. There were no back taxes or lien fees collected.
- Total collections for the 2019-2020 fiscal year were \$149,390.03.
 - Hebron: \$54,518.76.
 - Lebanon: \$94,871.27.
- I am in the process of turning eight accounts over to Attorney Adam Cohen for collection. The total due on those accounts is over \$9,000 or approximately 25% of the total outstanding delinquent taxes.
Note: I have been less aggressive in collecting back taxes due to Covid 19 but these accounts have remained unpaid for more than three years.
- Late notices are going out shortly. This typically results in a surge in payments.

Respectfully submitted,
