

Report of the Tax Collector
Dated December 14, 2016

- November deposits were \$2,643.62 reflecting \$519.48 from Hebron, \$570.54 from Lebanon in current year taxes, \$748.27 Hebron prior year taxes, \$709.33 Hebron Interest, \$96.00 Hebron lien fees and \$570.54 from Lebanon year current year taxes.
- Tax collection for the year to date: \$134,399.27.
- The joint enforcement for the District and the Town conducted by Adam Cohen has resulted in two properties brought current netting \$688.07 which will be included in December's deposits.
- Although November tends to be a slow month for tax collections, I've already received payments from several property owners for the January installment and I anticipate a robust month for December.
- Next week I'll post notices of taxes due January 1, 2017 at the town halls in Lebanon and Hebron as well as on the community bulletin boards. Because there is no newspaper published in the District this will satisfy the statutory requirement while saving the District the cost of published notices.

Respectfully submitted,
