

Report of the Tax Collector
Dated November 16, 2016

- October deposits were \$7,442.70 reflecting \$1,524.28 from Hebron, \$1,465.80 from Lebanon in current year taxes, \$1, 186.40 Hebron prior year taxes, \$898.00 Hebron Interest, \$115.19 Hebron Lien fees, \$1,594.14 Lebanon prior year taxes, Lebanon interest \$538.89 and \$120.00 in Lebanon lien fees.
- Tax collection for the year to date: \$131,755.65.
- Of the six properties turned over to Adam Cohen for collection all have made significant payments and have made arrangements to make additional payments going forward.
- There are another six properties on which taxes are owed to both the Town and the District. Adam Cohen will conduct a joint enforcement for the District and the Town.
- I've already received payments from several property owners for the January installment.
- Next month I'll post notices of taxes due January 1, 2017 at the town halls in Lebanon and Hebron as well as on the community bulletin boards. Because there is no newspaper published in the District this will satisfy the statutory requirement while saving the District the cost of published notices.

Respectfully submitted,

Eileen Curtin
