

Report of the Tax Collector  
As of July 31, 2017

- July deposits were \$120,870.70 reflecting \$47,568.43 from Hebron current year taxes, \$70,662.94 from Lebanon in current year taxes, \$875.45 in Hebron prior year taxes, \$174.84 Hebron interest, \$168.00 in Hebron lien fees, \$1,124.68 Lebanon prior year taxes, \$152.36 Lebanon interest and \$144.00 Lebanon lien fees.
- This is the first time that the bills showed the amount past due for delinquent accounts. In prior years we printed a notice indicating that back taxes were also due and instructed property owners to call for the amount due which is standard practice since the amount changes on the first of each month when interest is applied. The new method worked very well; there are 13 liens to be released for prior year taxes that are now paid in full.
- There were a few issues with the software but everything has been addressed.
- I am working with Anita Connor to provide records that the auditors will need for the audit.
- I expect to have the final posted ratebook from QDS in September

Respectfully submitted,

Eileen Curtin
