

## **Report of the Tax Collector As of January 31, 2022**

- January deposits were \$15,899.62. Hebron current payments were \$3,003.04, prior year payments were \$237.05, interest was \$60.37 and there were \$24.00 in lien fees. Lebanon current payments were \$12,555.31 and interest was \$19.85. There were no prior year payments or lien fees for Lebanon.
- Total collections since 7/1/2020 were \$149,407.43.
  - Hebron: \$66,477.07;
  - Lebanon. \$82,930.36.
- Payments are coming continue to come in for the January installment.
- There was an issue with a property on Ledge Road that was sold in January. When the attorney handling the sale contacted me to confirm taxes due to the District it became clear that the Lebanon Assessor had dropped the parcel from the Grand List. I am working with her and Quality Data Service to add it back for Grand List yet to be finalized.
- Another issue that arose was concerning a lien that Brian Swanson filed in Hebron for \$1.95. It showed in the system as having been removed a couple of days later but since Brian provide a copy of the original lien, I couldn't do anything without seeing what was on file at the Hebron Town Hall. That issue has been resolved as well.

Respectfully submitted,
