Wednesday, August 10, 2022 @ 6:00PM – Meadowbrook ROW

Agenda Items:

1. **Call to order and request volunteer to record meeting minutes** - Meeting called to order at 6:06PM
2. **Members and volunteers present and introduction of guests** – Kathy Feldman, Jan Garrett, Karen Hinch, Marge Nichols, Teri Nixon, Karen Patterson, Cherie Shafe and Jodi Stubbings
3. **Approve previous meeting minutes** – July 13, 2022, meeting minutes approved. Kathy made a motion to approve, and Jodi seconded.
4. **Updates and reports for individual Beaches and ROWs**

Main Beach – A geese deterrent flag was installed but does not seem to be working.

Other ideas were discussed (red pepper flakes, lowering the flag, a coyote that sticks in the ground and moves with the wind) but it was decided that pooper scoopers would be purchased and provided to Stewards for clean-up.

Elsmere – No issues at this time.

Francis - No issues at this time.

Oakland – A Hosta bush in front of the bench will be moved to another area on the ROW. A tree is dead on the left side (facing the water) and looks like it is right on the property line – Jeff Greenfield has been contacted.

Meadowbrook – Plunge pool needs to be cleaned. A quote from the Contractor has been requested.

Cove – Another bench is being requested.

Lollipop Beach – The enclosure surrounding the porta-potty has been replaced.

Ryan Terrace – The steps have been repaired.

Manion – No issues at this time.

Other items:

- Contractor will provide quotes for landscaping and additional maintenance needed around the lake.
- Furniture left by residents at the ROW's will be addressed as needed.

Motion to adjourn – Karen P. made a motion and Cherie seconded. Meeting adjourned at 7:08pm.

Next meeting date: **Wednesday, September 14, 2022 – Lollipop Beach**
